

# 'DESIGN AND MAKE' DAY

Choose from some of the activities below to design and make.  
Don't forget to share your pictures with us.

## Activity 1:

Design a sensory hopscotch.

- Can you design a hopscotch with 7 boxes?
- Add items with different textures to each square e.g. tinfoil, cardboard, sandpaper, straws.
- Which material felt the best to step on?
- Which felt the worst?

## Activity 2:

Build a Raft using parts of a tree

- Collect sticks and twigs outside.
- How can you attach them together? Could you use glue? Elastic bands?
- Design a mast for your raft.
- Will it float in water?
- Can it take any weight?

## Activity 3:

Design and make a sensory bottle/box.

- Find an empty bottle.
- Collect items from outside and inside your home that will fit inside.
- Find items with different smells, textures and sizes.
- What happens when you add water?

## Activity 4:

Design and make a maze.

- Using scissors, straws, glue and a paper plate can you design a maze for a marble.
